

Joining Procedure

The first step in joining the Aberdeen Chorus is for you to sing a quick song (usually Happy Birthday) for the Musical Director, so that she can decide which part you would be best suited to sing.

You will then be given a learning CD of 2 songs along with the sheet music, which you can practise for between 3 and 6 weeks. During this time when you come to Chorus there will always be other members willing to take you aside and sing with you until you have your audition which will be with some members of the Music Team.

If you don't pass first time you can try again the following week. It's a very relaxed atmosphere and not nearly as difficult as it sounds!

Financial Considerations

When you join the Aberdeen Chorus it costs \$80 US which is approximately £55 depending on the exchange rate at the time. This is used to pay your first year's membership of Sweet Adelines International. In addition there is a fee of £13 to pay to our UK Region, again for your first year. Arrangements can be made to stagger these initial payments if that would be more suitable.

After paying these one-off payments you simply pay your Chorus dues which are currently £20 per month. Subsequent year's International and Regional dues are taken from the ongoing monthly dues.

Members pay monthly either by cash, cheque or Standing Order. Those who are 26 years of age and younger pay exactly half of the joining and monthly dues.

The Chorus also travels outwith Aberdeen to perform and compete. Each year we attend our own UK convention where we compete alongside more than 20 other choruses from our region and where we have been very successful in achieving 6 gold medals.

Our most exciting trips have been to the United States to compete in our international convention on a number of occasions.

International

Sweet Adelines is a truly international organisation dedicated to advancing the musical art form of barbershop harmony through education and performance.

To this end the organisation provides an ongoing education programme in both the UK and the USA in which the Aberdeen Chorus is an active participant.
